SUMMARY

Aspiring Web Developer with a solid front-end foundation and growing back-end skills. I love building web applications, collaborating with others, and continuously learning to improve.

EXPERIENCE

Qtech Business Solution Inc. - (Intern)   **March - June 2025**

Frontend Developer, UI/UX Designer & Quality Assurance

- Developed a full-stack ticketing system for managing customer support requests, featuring dedicated dashboards for customers, agents, and administrators.
- Designed and built responsive, user-friendly interfaces using React.js and TailwindCSS, and integrated ticket management functionalities with Laravel.
- Performed QA testing, to ensure system functionality, issue resolution, and compatibility.

RELEVANT PROJECTS

BeeMo: An IoT-Enabled Web-Based Stingless Beehive Management System with Real-Time Temperature, Humidity, Weight Monitoring (Capstone Project /Thesis)   **2024 - 2025**
